

# AminoTec 4800™

AminoTec 4800™ is a high quality, high efficient protein source made from the finest proprietary blend of Soy Protein Isolate, Whey Protein Isolate, Whey Protein Concentrate, and Free Form Amino Acids. This custom blend is an excellent source of essential and non-essential amino acids including the valuable Branched Chain Amino Acids (BCAA).

Amino Acids are the building blocks of muscles and are essential to help create and maintain positive nitrogen balance, which is important for new muscle growth. Amino acids also play a key role in preventing catabolic breakdown of muscle proteins, which help to rebuild muscle tissue after intensive exercise. AminoTec 4800™ was designed to be one of the strongest amino acid products available on the market providing you with an astounding 4820 mg of high-quality free-form essential and non-essential amino acids per serving. AminoTec 4800™ will help you reach your training goals.

**Recommended Use:** Take 3 tablets three times daily between meals and after intense training. Best when taken 45 minutes prior to a meal and immediately following a workout.

**Warning:** Women should not use this product if pregnant, nursing or lactating. If you are using birth control pills, please consult your physician before use.
