

# TermoTec II Liquid

TermoTec II TM Liquid has a proprietary blend of over 16 ingredients to target fat loss from every angle in a huge 1292.12 mg serving size.\* Take your dieting and exercising to the next level with TermoTec II TM and get the lean, cut physique you are looking for. Advanced research shows that this optimal blend promotes fat loss in a superior way because of its synergistic properties among ingredients that provide an all-in-one fat loss solution.

\* Get rid of that excess fat and let your definition and muscle tone shine!\*

Directions: Take 20 – 40ml daily 30 minutes before meals and/or exercise. Begin use with recommended dosage to assess your tolerance. To avoid sleeplessness, do not take within 4 hours of bedtime. Drink at least 8-10 glasses of water a day. Experienced users may achieve maximum benefit at a dose of 20ml 2 times daily. Do not exceed 40 capsules within a 24-hour period.

Warnings: Seek advice from a health care practitioner prior to use if you have any pre-existing medical condition including (but not limited to): high blood pressure, heart, liver, or thyroid disease, diabetes, psychiatric disease, anxiety, pernicious anemia, depression, seizure disorder, cardiac arrhythmia, stroke, difficulty urinating due to prostate enlargement, or if you are taking a MAO inhibitor or any other prescription drug. Do not use if you are pregnant or nursing. Reduce or discontinue use if excessive sleeplessness, tremors, dizziness, nervousness, headaches, or heart palpitations occur. Using by healthy adults only. Do not use by persons under the age of 18. Discontinue use after 12 weeks for at least 2 weeks.
