

# ThermoTec

Experience a whole new level of body transformation with “whole body burn.” Your metabolic rate sets the pace for how fast your body burns calories, you can influence this with SporTec’s ThermoTec™. Soon after you take ThermoTec™. our unique blend of ingredients activates whole body energy metabolism. ThermoTec™. then cranks up the heat by helping promote thermogenesis so you can experience “whole body burn.”

Helping you burn calories is just the start! ThermoTec™. adds more fuel to the fire with the powerful combination of natural Guarana, Citrus Aurantium, Evodia Extract with Evodiamine and Green Tea Extract. Preliminary research suggests that Evodiamine may help reduce cellular fat production by activating vanilloid type-1 cell receptors. The patented bioavailability enhancement of

ThermoTec™. completes this powerful formula.

ThermoTec™. helps give you a surge of energy, sharp mental focus and will support peak performance.

- Turns the heat up on thermogenesis
- Turns your body into a calorie-burning machine
- Activates whole body burn

Warnings: Do not take if you are pregnant or lactating. Keep out of reach of children.

Directions: Take 2 capsules, two times daily, with a meal.
